# L'evoluzione degli ambienti per ragazzi

a tutte le età

valorizzare gli spazi

per lui e per lei

## Mistral EVO

Mistral si propone di progettare ambienti per ragazzi rispondendo a diverse esigenze di vita. Particolare attenzione viene data allo spazio gioco e divertimento che si trasforma in un multi-spazio dedicato allo studio e alle attività ricreative per i più grandi, ma anche per accompagnare i più piccoli nella loro crescita e in ogni momento della giornata.

L'area studio è proposta in diverse soluzioni pratiche e adatte a tutti gli spazi disponibili. Anche il guardaroba e i complementi fanno delle camerette Mistral una soluzione versatile e ideale ad ogni metratura.

Mistral disegna quindi soluzioni adatte a tutte le età, bambini e bambine, ragazzi e ragazze. Con la vostra casa si sposteranno perfettamente perchè il gusto accontenta tutti gli stili. Grazie alla varietà di componenti proposti tutte le camerette possono essere modificate nel tempo e riadattate alle necessità, sia di utilizzo che di spazio.

# Ponti

Le camerette Mistral sono caratterizzate da una nuova gamma di finiture: melaminici di base, melaminici colorati e tessuti, combinabili tra loro per creare infinite soluzioni per bambini di tutte le età. Le soluzioni Ponte esprimono un contenimento elevato dove l'armadio trova poca espressione a terra.

*Mistral bedrooms are characterized by a new range of finishes: wood melamine, colored melamine and fabrics, which can be combined together to create infinite solutions for children of all ages. The bridge solutions express a high containment where the wardrobe finds little expression on the ground.*
